

YMCA

We build strong kids,
strong families, strong communities.

Chicago, IL 60606

Dear AmberLeaf,

On behalf of the Board of Managers of the Arthur Jordan YMCA, we thank you for your donation in support of the Adam Miller Youth Sports Memorial Fund. The interest income from this endowment issued to support the Community School Partnership at IPS 43. The Jordan YMCA Community School Partnership extends the traditional YMCA into the heart of neighborhoods, making underutilized school buildings and facilities accessible to the community primarily during "out of school" time. The Jordan YMCA places Community Directors at each school site to work with local advisory committees. Together they provide the means for gathering resources to provide essential programs and services to the youth who attend those schools, as well as the people who live in the communities.

The Program is a true example of community development at the grass roots level. The YMCA staff person is the liaison working with the schools to keep facilities open in the evening, on the weekend and during the summer to once again position schools as focal points of their communities. Program components include: tutoring, youth sports, day camps, teen leadership, conflict resolution, family nights, health fairs, story telling, community nights and violence prevention programs.

Thanks again for your sponsorship. Be assured that your gift will be put to its highest and best use in remembrance of Adam Miller

Yours sincerely,

Michele Kight
Youth & Family Director
Arthur Jordan YMCA
